

ENGAGE

Eight ways to connect with your colleagues.

- **Post information on bulletin boards or in high-traffic areas in the building you work in.**
- **Send content to be included in area or department newsletters/updates.**
- **Post to internal webpages, intranet, or SharePoint sites.**
- **Present during departmental meetings.**
- **Set up meetings or open discussions to collect questions and feedback.**
- **Communicate through departmental or group listservs you belong to.**
- **Ask your leadership or supervisor to help share and distribute resources and important messages.**
- **Reach out to your area's communications professionals for their ideas on ways to communicate.**
